

Your diamond
has already survived
the Jurassic and Cretaceous Periods,
the Ice Age,
the reign of a hundred Pharaohs,
the rise and fall of Rome,
the Industrial Revolution,
the “War To End All Wars,”
all of Christianity, Buddhism
and Judaism combined,
and every lover’s spat during
all 33 Super Bowls.™

Long before there was life on Earth, there were diamonds.

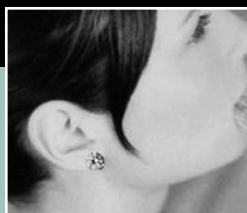

They are a beauty born billions of years ago. Formed by the weight of the world and the fires of Vulcan. They are truly unlike anything in the universe. Maybe that’s why their brilliant luster enchants us so.

At Fitzgerald Jewelers, we have hundreds of these sparkling little pieces of eternity. Set in the finest gold, platinum and silver. Please come see our collection of the universe’s oldest treasures. Owning a piece of eternity is easier than you think.

Only
a
1,000,000,000
year-old
jewel
can express
an
eternal
love.

Eons ago, a diamond was born.

It endured the furnaces of Pele. And was ground under the weight of the continents. Nothing else in this universe could have even survived. Yet the diamond grew more beautiful with each ordeal. How could anything else ever symbolize the strength of your love?

At Fitzgerald Jewelers, you'll find that incredible stone, and hundreds more like it. Set in the finest gold, platinum and silver. Please come see our collection of the universe's most amazing treasures. Owning a piece of eternity is easier than you think.

Think of it
as a
souvenir
from
the
Big Bang.

Olympic pins. Hats with plastic mouse ears. Fancy little spoons.

People are nuts about souvenirs. Why not give your love something from the birth of the planet? Namely a diamond. Each stone was formed billions of years ago. Results of the indescribable heat and pressure found at the heart of our young planet.

At Fitzgerald Jewelers, you'll find a wide variety of these brilliant keepsakes. Set in the finest gold, platinum and silver. You could start your own collection of Earth's first souvenirs. Owning a piece of eternity is easier than you think.
