

HEAVEN MAY,
IN FACT,
BE MORE STUNNING
THAN THE NEW
GRAND HYATT WAILEA.
BUT IT'S
ONLY HEARSAY.

*Announcing the opening
of the Grand Hyatt Wailea,
September 4, 1991.*

Few resorts have
ever dedicated as much to your
enjoyment as we do.

From the moment you pass
cascading waterfalls set in rock cliffs
formed by Haleakala herself, you're
immersed in the Hawaii of your dreams.

The scent of ten thousand exotic flowers complete the
mood begun with priceless mosaics and frescoes
depicting Hawaii's mythic past and continued
in monuments to Hawaii's spirit, cast
in solid bronze, seemingly around every corner.
All original. All with a story to tell.

And all, framed by Maui's
world famous Wailea coastline, part
of an impression you'll never forget.

But the Grand Hyatt Wailea is a
feast for all the senses. You'll marvel at
the myriad, inter-locked reflecting pools,
rapids, lagoons, waterslides, and a water-
powered elevator.

After a dip, you'll dine in one of
five exquisite restaurants. Then you'll

retire to a room so elegant, you may forget about doing it all again.

Few destinations are capable of impressing
a resident of paradise. In fact, this may be the
only one. For special Kama'aina rates or to make
reservations simply call the Grand Hyatt Wailea
at 1-875-1234.

GRAND HYATT

WAILEA.

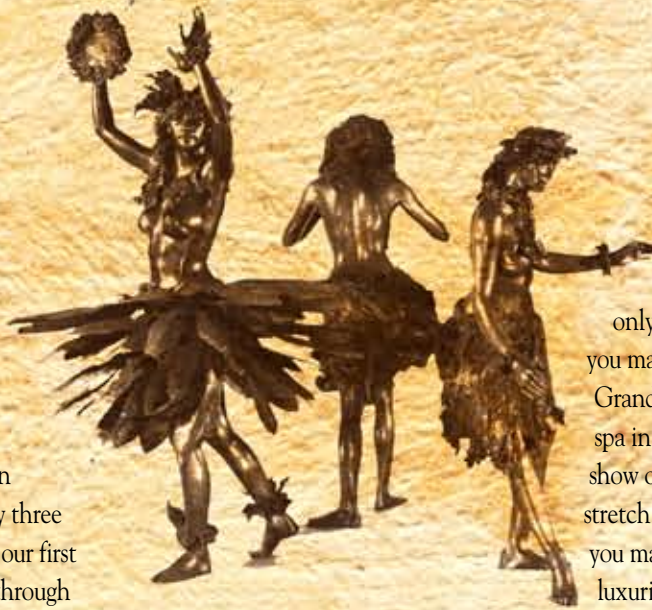

SO CLOSE

TO HEAVEN,

WE'LL EVEN

GIVE YOU

WINGS.

Because every Kama'aina should experience the Grand Hyatt Wailea, we'll provide two roundtrip, interisland tickets on Hawaiian Airlines, when you reserve any three day, two night package during our first anniversary celebration, now through December 20, 1992.

For as little as \$280* per night, double occupancy, you'll enjoy a level of luxury unique even in paradise.

Our five incredible restaurants, serving everything from traditional Japanese, to seafood, to Maui's best Italian,

only add to the splendor. In fact, you may find yourself in need of Spa Grandé, the largest and most lavish spa in Hawaii. Of course, you can show off your results on Maui's finest stretch of beach. Or then again, you may be so enthralled with our luxurious accommodations, that you never ever actually venture out.

But don't miss the pure excitement of our 2000 ft. long water slide and pool complex or the late night action of

Tsunami. Or – so much more. Paradise is endless, but the Free Air offer ends December 20. Get your wings, by calling the Grand Hyatt Wailea at 1-875-1234.

*Rate is per night, 2 night minimum, double occupancy, good for Hawaii residents only and subject to availability. Features have no cash value, are not transferable, and are non-refundable. The offer is valid from November 1 through December 20, 1992. Not available to groups or previously booked reservations. Hawaii State & Hotel Room taxes not included.
