

WARNING: COMBUSTIBLE LIQUID AND VAPOR. HARMFUL OR FATAL IF SWALLOWED. MAY CAUSE EYE OR SKIN IRRITATION. CONTAINS PETROLEUM DISTILLATES. Keep away from heat, sparks and flame. Avoid breathing vapors. FIRST AID: If swallowed, do not induce vomiting, do not give anything to drink. Get immediate medical attention. In case of skin or eye contact, immediately flush eyes with plenty of water for 15 minutes. If irritation persists, get medical attention. Keep out of the reach of children, or anyone who acts like one.

16 fl. oz. (lpt.) 473 ml.

shine

TM

Carnauba Creme Wax

Seals and protects your paint's finish from oxidation and harmful road junk.

Directions: Wash your ride first. Then park it in the shade. Shake bottle. Put a small blob of stuf on some kind of soft, clean cloth. Rub on with a circular motion using light to moderate pressure (you're waxing a car, not working out). Let stuf dry to a light haze. Buff off with a clean soft towel. Bask in the knowledge that everyone will think your ride looks awesome.

If this product isn't everything we say it is, return what's left and we'll give you your money back.

WARNING:

MAY CAUSE EYE OR SKIN IRRITATION. Avoid contact with eyes. Wash thoroughly after handling. Keep container closed.

FIRST AID:

If swallowed, do not induce vomiting, do not give anything to drink. Get immediate medical attention. In case of eye contact, immediately flush eyes with a steady flow of water for 15 minutes. If irritation persists, get medical attention. Keep out of the reach of children, and people who like to play with bubbles.

16 fl. oz. (1pt.) 473 ml.

clean

TM

Wash Concentrate

Blasts away gunk & grime. Rinses clean and won't leave streaks on your ride.

Directions: Park your ride in the shade and let the surface cool off. Mix 1 ounce of concentrate with 1 gallon of water. Hose car off first. Then wash thoroughly. Then rinse thoroughly. Then dry thoroughly -with a clean soft towel. (Simple, huh?) Now spend the rest of the day trying to wipe that grin off your face.

CONTAINS PETROLEUM DISTILLATES.
Keep away from heat and flame.
Keep container closed. Wash
thoroughly after handling.

FIRST AID:

If swallowed, do not induce
vomiting, do not give anything
to drink. Get immediate medical
attention. In case of eye contact,
immediately flush eyes with
plenty of water for 15 minutes.

If irritation persists, get
medical attention. Keep out of
the reach of children, and
anyone who drinks wine coolers.

16 fl. oz. (lqt.) 473 ml.

polish

TM

Polishing Compound

Polishes out fine surface scratches and
light oxidation. Safe for all paints.

Directions: Wash your ride first,
then park it in the shade. Put a
blob of stuf on a soft, clean cloth.
Polish with a circular motion using
light to moderate pressure until
that baby sparkles. Or, if you're
into this sort of thing, you can
machine polish with an orbital,
DA or 1500-3500 rpm polisher.
Stuf Polish contains absolutely no
silicones or waxes. So follow it up
with our Stuf carnauba creme wax.

If this product isn't everything
we say it is, return what's left
and we'll give you your money back.
